CIRCLE|HR is your outsourced Human Resource partner. As an Australian business, underpinned by a strong legal team we have the expertise in Australian Industrial Relations to effectively manage your workers and protect your organisation from employee claims. We understand your culture and your team; working with you to devise strategies to take your business forward.

Our capabilities include covering the basics from legal compliance, documentation and IT systems through to complex workforce planning, engagement strategies, WHS, productivity and performance, training, redundancy, union plans and unfair dismissal. Whatever your size of business our HR Strategists will design a system that protects and grows your organisation.
